1. S¹ "following a place name indicates that the place is coextensive with a MCD. A S¹ " indicates that the place is also a false MCD. In both cases, the MCD and the place name are separated by a space.

A¹ " following a VTD code indicates an actual voting district. Its absence indicates that the VTD is a pseudo voting district or no information is available as to its status.

3. A³ " following a block number indicates that the block number is repeated elsewhere in the block.
